## EXPERIENCE

**IT Intern, SAP COE & Security Engineering**  
Spirit AeroSystems | Wichita, KS

May 2024 - Aug 2024

- Designed, tested, and implemented of a new SAP-based timekeeping payroll system for 1000+ employees, collaborated with cross-functional teams including HR, Finance, and IT
- Contributed to the development of security documentation for machines transitioning to government defense work
- Coordinated with senior engineers to identify system vulnerabilities, implement security controls, and maintain compliance with relevant regulations.
- Participated in project planning and status meetings with upwards of 100 members, offering insights on potential process optimizations, risk mitigation strategies, and compliance adherence.
- Researched industry best practices and emerging technologies to recommend enhancements that improved system reliability and reduced maintenance overhead.

---

## LEADERSHIP/INVOLVEMENT

**President**  
Esports Club | Kansas State University

Jun 2022 - Jun 2024

- Organized and led weekly meetings and events for over 100 club members, fostering a sense of community and camaraderie among enthusiasts
- Coordinated with other campus organizations and external sponsors to secure funding, equipment, and venues for hosting tournaments and workshops
- Represented the club in regional and national competitions, achieving top rankings and awards in various games
- Promoted the club's online presence and outreach through social media platforms, newsletters, podcasts, and livestreams, attracting new members and followers
- Established and maintained positive relationships with professionals, coaches, commentators, and industry experts, inviting them as guest speakers and mentors for the club
